

This is going to be good

they are very important

Today is a very important day, today is the day that a very important person tells us something very important. This person is so important because just 3 weeks ago they did something spectacular. What did they do that is so spectacular you may ask. The thing that they did was become important. In the book *The very important people* they were in the top 5

In order for you to read the following quote you must know one thing about them. That one thing is that this person is *very* important.

**This is a very important quote that you never saw coming
the end**

-An important person

Now you must say that was one important quote there is no way that any other news article would have something as important as that. with that being said you will have to tune in next week to see a video of someone important doing something important>
